Innovative Learning Competitive Grant Application

Eta Chi, the local chapter of Delta Kappa Gamma - International Society for Key Women Educators, is pleased to announce our Innovative Learning Grants available to women educators in the Poway Unified School District and current chapter members. The Delta Kappa Gamma Society International promotes professional and personal growth of women educators, as well as excellence in education.

Our Innovative Learning Grants are designed to provide opportunities for full-time teachers to expand their knowledge and expertise, in addition to enhancing the learning experiences of students and the learning community. The Eta Chi Chapter will fund two (2) \$250 grants.
